Business Men's Association Gets A Substantial Gift of Money

Balance of the Fourth of July Funds Turned Over To The Organization.

ASSOCIATION IN GOOD SHAPE

Yesterday the treasury of the Business Men's Association of Reynoldsville was enriched to the extent of \$101.98 by the turning over to it of all the balance remaining from the Fourth of July celebration funds.

When the gentlemen who conducted the big celebration this year organized for work, it was moved and carried that if a surplus remained after paying all expenses incident to the celebration, it should be turned over to the Business Men's Association for use in conducting its work for the benefit of the town. Through the energetic work of the various committees the celebration was made a success beyond all precedent, and through careful management the committee was enabled to hold expenses below receipts and emerge from the affair with a larger surplus than any one had anticipated.

Monday evening the accounts were audited and found correct. Tuesday the chairman of the Fourth of July committee, Mayor Jarvis D. Williams, and secretary, Charles S. Lord, signed the order transferring the balance, \$101.98, from K. C. Schuckers, treasurer of the committee, to C. R. Hall, treasurer of the Association, and received the latter's receipt therefor.

This finally closes the affairs of the Fourth of July Committee of 1909—a committee composed for the most part of young men of town who, when it looked as if there would be no celebration in Reynoldsville, jumped into the breach, made up in enthusiasm and personal work what they lacked in cash, and succeeded in gaining for Reynoldsville the honor of having the biggest Independence Day celebration of the year in this part of the state.

Esteemed Reynoldsville Couple Celebrate Their Golden Wedding

MR. AND MRS. ROBERT A. BONE AND THEIR SONS AND DAUGHTERS.

Mr. and Mrs. Robert A. Bone Were United in England Fifty Years Ago.

ENJOYABLE FAMILY REUNION

One of the rare and pleasant events in the matrimonial life is the celebration of the fiftieth marriage anniversary—the golden wedding. On the afternoon of Friday, September 10, 1909, Mr. and Mrs. Thomas Bone, Sr., of Worth street, celebrated their golden wedding. There were about one hundred guests present, including the relatives, and it was a very pleasant occasion. At 5.00 p. m. Mr. and Mrs. Bone stepped into the parlor and Dr. A. J. Meek performed an impromptu golden wedding ceremony. Robert Thompson and wife, of Cleveland, Ohio, stood up with the bride and groom of fifty years ago. The bride was dressed in cream silk. Miss Kathryn King presided at the piano and played softly during Dr. Meek's short but appropriate remarks. After congratulations a sumptuous wedding dinner was served. The house was nicely decorated. The color scheme was white and gold.

Mr. and Mrs. Bone received a number of beautiful gifts, consisting of gold coins, silverware, gilded chair, gold clock, gold inkstand, gold candlestick, china and linen. Some of the guests took their departure early in the evening, but most of them tarried until after the midnight hour. There was instrumental music, singing and dancing. It was certainly a happy occasion for Mr. and Mrs. Bone, one that will linger fresh in the memory of this couple during the remainder of life's journey, or until they celebrate their diamond wedding.

Thomas Bone and Elizabeth Robinson were both born in England, and at Trimdon, England, September 10, 1859, they were united in marriage. They came to Moreau Run, Tioga Co., Pa., in 1863. They came to Reynoldsville twenty-one years ago last June, therefore, are well known and highly esteemed by a large number of our people.

Unto this couple twelve children were born, nine sons and three daughters, all whom but one son, John Bone, who was killed in the western country seventeen years ago, are all living. They are as follows: Steven, of Rossiter, George, of Horton, Richard, of Reynoldsville, Robert, Jr., of Soldier, Thomas, of Kane, Walter, of Clymer, Henry and William, of Barnesboro, Mrs. Thomas Kirkman, of Clymer, Mrs. W. Earl Phillips, of Clearfield, and Mrs. J. Leslie Schall, of Pittsburgh. All the children, but Mrs. Schall, were present to enjoy the fiftieth marriage anniversary. In addition to Mr. and Mrs. Bone's eleven children there are thirty-five grandchildren and three great grandchildren.

Besides the sons and daughters and their families the following out of town relatives and friends attended the golden wedding: Robert Thompson and wife, of Cleveland, Ohio, Simpson Walker, of Homestead, Miss Anna L. Hoffman, of Wilkesburg, William Fawcett, Mrs. John Reay, Mrs. George Barr, of DuBois, Ephraim Pittsley and wife, Mrs. Jacob Haag, of Punxsutawney, John Pierce and wife, of Sykesville, Mrs. Henry Norris, of Paradise.

THRILLING AUTO ACCIDENT IN PUNXSUTAWNEY

W. E. Williams, Former Reynoldsville Man, was the Victim.

Game Preserve.
A number of Pittsburgh business men have leased and purchased 1000 acres of woodland near Brockwayville and will stock it with fish, quail and other game, their intention being to maintain a private game preserve. Fifty angora goats will be placed on the preserve as soon as it is fenced. Workmen are now engaged in the construction of a large and modern house on the tract to be occupied by the keeper of the preserve, the owners and their guests. In addition to the game brought in to stock the preserve the woods abound with pheasant and rabbit. Even wildcats and deer are found in that section. The owners are spending several thousands of dollars in improvements, and they propose to have one of the best equipped hunting grounds in the state. A warden will be kept on the place.—DuBois Express.

Gun metal shoes are good this fall. Have you seen the new ones at Adam's?

Wesley E. Williams, superintendent of the Jefferson Traction Company's city and suburban lines, Friday night had a narrow escape from serious if not fatal injury, when an automobile going at a fair rate of speed, knocked him down and ran over his head.

At about 7.30 o'clock last night Mr. Williams was walking along Mahoning street in front of the Spirit office, when the street car came along. He ran out to board it and had barely left the curb when a runabout belonging to Adam Hauck struck him full in the side, dragged him about fifteen feet, and

then passed over his prostrate body, one front wheel passing over his legs, while the other rode full over his forehead, slewing his body around so that the back wheels missed him entirely. When bystanders rushed out to pick him up, expecting to find him badly injured, he scrambled to his feet and with the aid of George Pierce hurried to Hamilton's drug store, where Dr. Harry Gourley examined his injuries. They were found to be slight. A small cut in the back of the head and a slight abrasion on the forehead, with several bruises about the body was the extent of his injuries. His clothes, however, were almost torn from his body.

Mr. Williams alleges that the auto was running at a high rate of speed, and that Mr. Hauck failed to give any warning of his approach. Had the automobile been a heavy one, the victim of the first automobile accident in Punxsutawney would undoubtedly have had the life crushed out of him.—Punxsutawney Spirit.

Mr. Williams formerly resided in Reynoldsville and is known by a number of our people.

A Word to Subscribers.

A number of our subscribers are, apparently, forgetting that it takes money to run a newspaper, as they are neglecting to pay their subscriptions. A dollar from a subscriber may seem insignificant when standing alone, but one each from several hundred subscribers means so many hundred dollars to us. Every business is dependent upon its income, no matter from what source nor in what amount from each source. Without the expense and labor of again mailing notices to all our subscribers who are in arrears, we hope this notice will be sufficient and that each one will pay all or part of their arrearage this month.

No More Crop Failures.

Don't worry about the crops. Corn will not be up to the 1908 record yield by nearly 300,000,000 bushels, but oats will exceed last year's harvest by 200,000,000 bushels and wheat will top the 1908 crop by 50,000,000 bushels. The total of the three will therefore be right abreast of previous big years. Owing to the better methods of farming in the west and the enormous increase in the acreage planted, a crop failure in the United States is now a virtual impossibility.

Who can overestimate the importance of this fact! In former times every three or four years would see a dead failure in crops with enormous losses. Now every year is a big one, and despite the greater harvests the price of cereals is steadily rising.—Philadelphia Press.
